

The Moon

Hannah Pang
Illustrated by Thomas Hegbrook

For centuries, mankind has gazed up at the Moon in awe and wonder. It has been a source of both aspiration and inspiration to astronomers, poets, mathematicians and artists alike. But how much do we know about our closest neighbour? In this book, you'll discover the history of man's relationship with the Moon – the science, the myths, the facts and the fiction – and how it affects our everyday lives and the world around us.

Night of the Living Ted

Barry Hutchison

When Lisa Marie and her step-brother Vernon pop into town to get their dad a birthday present, they discover the Create-a-Ted shop is offering free Halloween bears! Making two grisly bears for themselves and choosing an Elvis bear named Bearvis for Dad, they head home. That night the shopkeeper brings the bears to life for nefarious purposes ... but Vernon's bear, Grizz, doesn't want to be a slave to humans – he wants to rule the world! Converting the shopkeeper's Stuff-U-Lator into a machine for turning living matter into stuffed bears, he begins to prowl the streets. Can the children and Bearvis save themselves – and the world – from being stuffed?
