- With captivating illustrations by Elina Ellis (*Itchy Scratchy Scratchy Pants*, *There Was an Old Giant Who Swallowed a Clock*).
- With penguins and pirates and aliens... oh, my!

About the Author

John Kelly has been illustrating, writing, and designing books since just after the invention of the clay tablet in Ancient Mesopotamia. He has now moved on to shouting at a computer screen, sharpening endless pencils, and staring at a blank page of a Moleskine notebook. He lives in a mythical suburb of South London with his wife who is also a full-time muse.

Elina Ellis was born and grew up in Ukraine. She made up stories and drew funny pictures from the age of three, so she decided not to let her skills go to waste and graduated with an MA in children's book illustration from the Cambridge School of Art. She's been drawing funny pictures and making up stories ever since!

Is My Teacher A Robot?

Dave Cousins

Illustrated by Catalina Echeverri

When Robin the robot babysitter loses his memory in an accident, he starts thinking he's a teacher at Jake and Jess' school. Although he has unlimited knowledge to share with the students, Robin is DEFINITELY not your average teacher and people are getting suspicious. Not only that, but Jake and Jess want their OLD robot back. How can they restore the Robin they know and love?
