BATH £9.99* Globe

Bath Buddies make great companions for children while they are in the bath. The daily ritual becomes more fun and less stressful when the child can play and learn while they bathe.

Each title in the Bath Buddies series focuses on a specific skill. As a series the books help young children to recognise and name everyday things and situations. This supports their early language development and their ability to question and understand their world.

Packaging can be used as a storage net.
