Keynote

A kindly couple go out of their way to help some eccentric visitors in this riotously funny picture book from X Fang

Mr and Mrs Li aren't quite sure what to make of the strange beings that crash into their house at midnight.

Their eyes are very big, their skin is very blue, and their shape is very hard to describe. And even though they insist that they are DEFINITELY human, they're not like any human Mr and Mrs Li have ever seen.

Fortunately the Lis are both very kind humans, so when the visitors ask for help, they don't think twice before giving it.

THE HUNGER GAMES: SUNRISE ON THE REAPING

SUZANNE COLLINS

When you've been set up to lose everything you love, what is there left to fight for?

As the day dawns on the fiftieth annual Hunger Games, fear grips the districts of Panem. This year, in honor of the Quarter Quell, twice as many tributes will be taken from their homes.

Back in District 12, Haymitch Abernathy is trying not to think too hard about his chances. All he cares about is making it through the day and being with the girl he loves.

When Haymitch's name is called, he can feel all his dreams break. He's torn from his family and his love, shuttled to the Capitol with the three other District 12 tributes: a young friend who's nearly a sister to him, a compulsive oddsmaker, and the most stuck-up girl in town. As the Games begin, Haymitch understands he's been set up to fail. But there's something in him that wants to fight . . . and have that fight reverberate far beyond the deadly arena.

TAKE A CHANCE ON ME

ELIZABETH EULBERG

Internationally bestselling author Elizabeth Eulberg pens an unforgettable journey that's heartwarming, hilarious and heavy on both romance and jetlag.

Evie is heartbroken and betrayed when a video of her confronting her cheating ex boyfriend goes viral, so what's a girl to do? Flee to London for the summer, of course! Evie loves everything about London - the double decker buses, afternoon tea, history around every corner. Everything that is but having to stay with the person who's hurt her most of all - her father.

Desperate for a distraction from their contentious relationship, Evie spends her days wandering the historic streets ... where as though fate is intervening, she keeps meeting a charming and beautiful British busker named Aiden. Evie doesn't want to open herself up again, but Aiden is funny, kind and he never treats Evie like she's too much. He may just be worth taking a chance on ... if Evie can keep her past from getting in the way of her future.

She is the author of novels for teens and young readers, including internationally best-selling YA novels *The Lonely Hearts Club* and *Better Off Friends*. Elizabeth currently lives in London, where she spends her free time going on long walks around her favourite city in the world and eating all of the scones. ALL OF THEM.
