She gives me the big baggy jumper,

# KEVIN

Kevin was an orange, one of the  
orangiest oranges ever.  
He loved chatting to his friend Brian  
the pear.

# BRIAN

Brian was a very wise pear who  
was always reading books, Brian  
knew lots about everything.

So Kevin packed his small orange suitcase and headed for the North pole.

After finding the best spot at the North Pole and sitting in the snow for a while Kevin slowly started to turn blue. He was so cold he began to shiver and shake, in fact, he shivered so much his pips started to rattle.

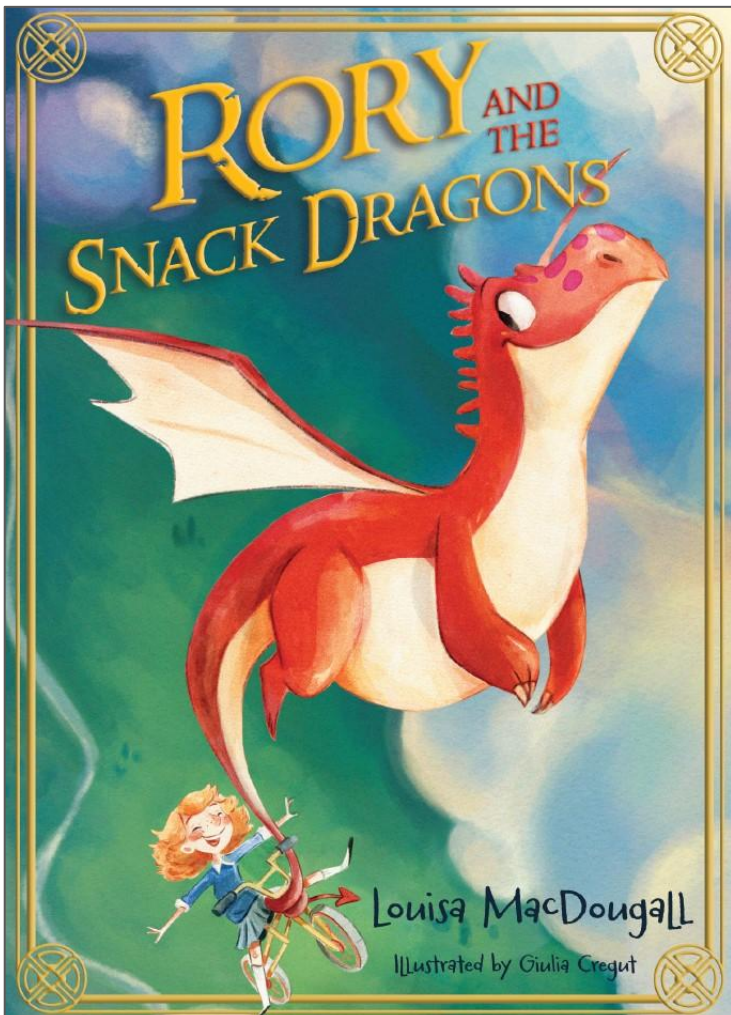

'I r really don't th th think I like being b b blue,' he chittered, 'I think I want to be RED, it looks a lot warmer'.

Although Kevin DID feel cool in Brian's outfit, he really wasn't much of a dancer and before long he was huffing and puffing and had turned very pink.

Hmmm, maybe I am not such a pink orange after all,' thought Kevin.
