## Welcome to the Bounce Spring/Summer 2026 New Titles Catalogue!

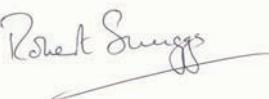

This is one of Bounce's strongest Spring/Summer programmes for several years with some outstanding books coming from all our publishers between now and June, but we'd like to single out two publishers who are being represented by us for the first time this season.

Guppy Books is an amazing independent children's publisher that has published titles such as *The Cats We Meet Along the Way*, by Nadia Mikail which won the Waterstones Children's Book Prize in 2023. Nadia's brilliant new novel *A FLOOD OF MEMORIES* is published in June, and the paperback edition of *BEST OF ALL WORLDS* by Kenneth Oppel – which *The Times* chose as their Children's Book of the Year for 2025 - is published in April.

Paper Engine Publishing is launching in March 2026 with a selection of pop-up and novelty books, including a fabulous interactive title from the wonderful Kes Gray. Bounce is now also distributing a range of Build Your Own's unique, eco-friendly construction kits from the same company.

But there is so much else to enjoy and to help build your children's book sales in the next few months that we hope you'll be inspired to reach out and contact either your Bounce representative or our head office team and we will do all we can to support you. Whether you place most of your orders direct with our distributors or through wholesalers we have lots of ideas for promotions, author visits, point of sale, special editions and extra discount offers and we would love to hear from you.

Best wishes,

**Managing Director**
