AUTUMN/WINTER 2026

Representing the best
in children's publishing

Welcome to the Bounce Autumn Winter 2026 Export New Titles Catalogue!

We are thrilled to be showcasing some truly exceptional books from our publishers for this Autumn/Winter period. We're also delighted to welcome two new publishers for the first time this season.

Cassava Republic Press is a brilliant independent publisher bringing bold and original stories from across Africa and its diaspora, publishing fiction and non-fiction for adults and children. Recently, the incredible debut THE MERCY STEP won the British Book Awards Discover Book of the Year and was shortlisted for The Women's Prize for fiction. We have a very exciting selection of titles coming from Cassava Republic this Autumn, among them THE SHIPIKISHA CLUB, a book our entire team cannot wait to tell you about in July, and for young readers, HENRIETTA LACKS: THE MOTHER OF MODERN MEDICINE introducing children to her remarkable story, publishing in August.

Hungry Tomato are publishers of high-quality, informative and engaging non-fiction for children with series that will get kids hooked on books. Whether children want BIG QUESTIONS ANSWERED on fascinating scientific topics, or to learn more about EXPLORING THE GREAT OUTDOORS, Hungry Tomato will have a book for them and plenty more brilliant subjects too! We are particularly excited to bring you IS TIME TRAVEL POSSIBLE? in November. A question on many lips as we approach Christmas, I'm sure.

There are so many books coming from our publishers during July-December for all to enjoy, to help you build your children's book sales in the coming months. Please do reach out to your Bounce representative or our head office team and we will do all we can to support you with sales, ideas for promotions, author events, point of sale material or special offers. Whether you place most of your orders direct with our distributors, or through wholesalers, we would love to hear from you.

Best wishes,
