A Christmas Carol

Charles Dickens

A beautiful deluxe Pushkin Children's Classics edition of Charles Dickens' famous Christmas tale

Marley is dead - there is no doubt about that. But on Christmas Eve night, his ghost appears in front of his miserly business partner, Ebenezer Scrooge. His purpose: to show Scrooge the error of his ways before it is too late.

With Marley's warning ringing in his ears, Scrooge reluctantly awaits the arrival of three ghosts that will visit him before the light of morning. Each spirit will show him a vision from Christmas past, present and future, forcing Scrooge to confront the reality of what he has become. Cruel, heartless and above all, alone. And unless Scrooge cures his bitterness in time for Christmas Day, his heart may be frozen for good.

Wings Of Fire: Escaping Peril

Tui T. SUTHERLAND Illustrated By MIKE HOLMES

The New York Times and USA Today bestselling series soars to even greater heights with a new prophecy and five new dragonets ready to claim their destiny!

Peril has been loyal to Queen Scarlet, who used her fatal firescales to kill countless dragons in the SkyWing arena. Now, Peril is loyal to Clay, the only dragonet who has ever been her friend. So when Scarlet threatens Jade Mountain Academy, Peril sets off to find her former queen, stop her, and save the day, no matter what it takes.

There's just one problem: a strangely persistent SeaWing, Turtle, insists on coming along, too. Turtle is worried about his friends, who left to search for Scarlet and haven't returned. Peril is worried that she might accidentally burn Turtle -- or burn him on purpose, for being so annoying -- and frustrated that she keeps saying and doing the wrong things. She can't escape her firescales, and she can't escape her reputation as the deadliest dragon in Pyrrhia. So when she's offered a chance to trade everything for a new life, Peril has to decide who she's really loyal to . . . and whether her own scales might actually be worth saving.

Wings Of Fire: Talons Of Power

Tui T. Sutherland

The New York Times and USA Today bestselling Wings of Fire series soars to even greater heights in the ultimate battle between good and evil.

For every villain, there is a hero ...Turtle isn't one of the heroes he reads about in stories. If he were, he'd use his animus powers to help Pyrrhia -- instead of keeping his abilities a secret, even from his own sister.

Now that Darkstalker, the sinister and impossibly old dragon from Pyrrhia's most notorious legends, has returned, Turtle knows his own role is simple: hide. And stay hidden. The more he watches Darkstalker from the shadows, the more Turtle knows that someone needs to stop the powerful dragon. A real hero.

But Turtle is running out of time to find one, which means ... he might have to try to save the day himself.
